Lotus maculatus 'Bling'

This is a dainty grey foliage prostrate groundcover that spreads well. Flowers are coloured yellow through orange and red.

Uses

Great hardy ground cover that spreads like a blanket but has a fine grey dainty foliage. Flowers for months with a pea like flower that is gold. Ideal for hanging baskets, rockeries and pots.

Preferred Position & Soil

Needs a well drained soil in a sunny to semi shade. Does not do well in full shade and won't flower.
